

Vape, Tobacco, Alcohol and Cannabis Policy

TMSS is a tobacco and vape-free facility for students, staff, and the public, including the outdoor school property. Fines may ensue through the SHA or RCMP. Alcohol and cannabis products should also not be on school property, including school buses and parking lots.

Students should also be aware that the breaks through the school day are intended for class changes, NOT vaping or smoke breaks. Students are encouraged to utilize this time to get to class on time with the proper school supplies.

Students found in offence of this policy will be required to hand over the contraband product(s) and paraphernalia to staff. Families will be contacted.

Students are required to be sober at school. Families will be required to pick up intoxicated students.

Suspensions may be required and extracurricular activities may be impacted.
