

## Dress Code Policy

Students are expected to dress in a manner consistent with the positive, safe, and healthy atmosphere within our school at the discretion of teachers and administrators.

Items that do not support this atmosphere include those that advertise, display, or promote:

- drugs (including alcohol, tobacco, vape, and cannabis),
- sexual activity and vulgarity,
- profanity,
- violence,
- gang affiliation, and
- disrespect towards any group.

Offensive items may include backpacks as well as clothes.

Students who violate this policy will be required to return home to change or replace or alter the offensive item. Altering the item may include turning it inside out, or covering the offense with tape. Offensive hoodies may be asked to remain in a locker.

Teachers will contact the students' family to let them know the item should not be returned to school.
